

IPOKRATES Foundation Clinical Seminar

Recent advances in the care of critically ill neonate

Sheraton Çeşme Hotel, Izmir / Çeşme, Aegean coast, ancient site, Turkey
November 6-8, 2014

Objectives

IPOKRATES seminars provide high quality postgraduate education which enables professional to keep abreast of the most recent developments and offer participants the opportunity to discuss clinical problems or scientific issues personally with international experts. This seminar focuses on recent advances in understanding, management and care of neurological, cardio-respiratory, nutritional and gastro-intestinal disorders in premature and mature newborn infants.

Lecturers

van Kaam A	Academic Medical Center, University of Amsterdam, The Netherlands
Cilio RM	University of California San Francisco, USA
Seri I.	Children's Hospital Los Angeles and University of Southern California, USA
Neu J	University of Florida, College of Medicine, USA
Dame Ch.	Humboldt University, Berlin, Germany

Limited Number of Participants: 70

Please Note: Only registered participants, NO on site registration!

Please register via internet: <http://www.ipokrates.info>

Program Design Simbruner G., Özek E.

Target Groups Doctors, nurses and affiliates of university and non-university hospitals in the field of neonatology and intensive care as well as of pediatric neurology, cardio-respiratory, nutrition and gastro-enterology related specialities.

Major Sponsors Dräger, Elsevier, Nestlé Nutrition Institute, Heinen + Löwenstein

Local Sponsors Chiesi (Turkey), Aptamil (Turkey), COVIDIEN

Local Organizer **Professor Uğur Dilmen**

President of Turkish Neonatal Society

Professor of Pediatrics, Chief Division of Neonatology and Intensive Care

Units, Zekai Tahir Burak Training Hospital, Ankara

Travel

VISA required, each participant is responsible for his/her VISA, and IPOKRATES assumes NO liability.

Participation Fees

	before July 31, 2014	after August 1, 2014
Single person	€ 350.00	€ 400.00
Turkish doctors	€ 250.00	€ 300.00

Recent advances in the care of critically ill neonate

Sheraton Çeşme Hotel, Izmir / Çeşme, Aegean coast, ancient site, Turkey
November 6-8, 2014

Thursday, November 6, 2014

08:00	Welcome & Introduction to IPOKRATES	Dilmen U, Neu J
08:30	Pulmonary transition in the delivery room: less is more?	Kaam A
09:30	Decision making at the limits of viability	Dame Chr
10:30	<i>Break</i>	
11:00	Neuroprotection step 1: monitoring the baby brain	Cilio RM
12:00	<i>Lunch Time</i>	
14:00	Comprehensive hemodynamic monitoring and data acquisition in neonates: Clinical relevance	Seri I
15:00	The developing gastrointestinal tract: Implications for enteral nutrition	Neu J
16:00	Surfactant treatment in the non-invasive era	Kaam A
17:00	Treatable neonatal metabolic epilepsies	Cilio RM
17:30	<i>End</i>	

Friday, November 7, 2014

08:30	Definition of hypotension in preterm and term neonates by population-based normative data, cardiovascular physiology & clinical outcomes	Seri I
09:30	Do neonatal seizures harm the brain?	Cilio RM
10:30	<i>Break</i>	
11:00	Newer modes of conventional mechanical ventilation: time to change	Kaam A
12:00	<i>Lunch Time</i>	
14:00	Strategies for parenteral nutrition in very low birth weight neonates	Neu J
15:00	Novel strategies for neuroprotection, including the use of recombinant erythropoietin	Dame Chr
16:00	Neuroprotection step 2: beyond hypothermia	Cilio RM
17:00	Guidelines to prevent nosocomial infection with multiresistant gram-negative bacteria in neonatology	Dame Chr
17:30	Human milk use in the NICU: Is it a Pancea?	Neu J
18:00	<i>End</i>	

Saturday, November 8, 2014

08:30	Necrotizing enterocolitis: Past, present and future	Neu J
09:30	Non-invasive support: CPAP, NIPPV, or HHFNC	Kaam A
10:30	<i>Evaluation & Break</i>	
11:00	Pathophysiology-targeted pharmacologic management of neonatal shock	Seri I
12:00	<i>Lunch Time</i>	
14:00	Pathophysiology and treatment of vasopressor-resistant hypotension in the neonate	Seri I
14:30	Towards an optimized use of erythropoietin or its derivatives in the anemia of prematurity	Dame Chr
15:00	<i>End</i>	

Subject to change.
