

About the Conference:

This will be the first international conference in surgical neonatology conducted in Australia. Eminent speakers from Boston, Pittsburgh, Melbourne, Perth, Sydney, Brisbane will be discussing the latest developments in the area of surgical conditions of the neonates, neonatal anaesthesia, preoperative and post operative care, and long term follow up. Renowned neonatologists and surgeons from Perth and Sydney have joined hands to undertake this important educational event. It is being conducted under the aegis of the IPOKRATES foundation, a highly respected international organisation known for its commitment to spreading medical knowledge and research across the globe.

Benefits of becoming a sponsor:

1. Creates a positive image of being seen as supporters of high-quality education.
2. Opportunity to meet surgeons, anaesthetists, neonatologists, gastroenterologists, nurses, trainees, stoma therapists, all under one roof for up to two days.
3. Helps build a relationship with an elite target audience.
