

Clinical Seminar

Care of extremely low birth weight infant

 Royal Ambarrukmo Hotel, Adisucipto Street 81, Yogyakarta, Indonesia
8th - 10th June 2023

Objectives

IPOKRATES seminars provide high quality postgraduate education which enables professionals to keep abreast of the most recent developments and offer participants the opportunity to discuss clinical problems or scientific issues personally with international experts. This seminar is designed to provide practical guidance for clinicians managing tiny infants including respiratory support, nutrition and neurodevelopmental follow-up.

Lecturers

Jeanie Cheong

The Royal Women's Hospital, Parkville VIC, Australia

Peter Davis

University of Melbourne, The Royal Women's Hospital, Melbourne, Australia
