

IPOKRATES

Clinical Seminar

Foundation

Masterclass in Paediatric Cardiology

Labadi Beach Hotel, Accra, Ghana
12th November – 14th November 2018

Objectives

IPOKRATES seminars provide high quality postgraduate education which enables professionals to keep abreast of the most recent developments and offer participants the opportunity to discuss clinical problems or scientific issues personally with international experts.

This seminar deals with the understanding and management of paediatric cardiology clinical cases by all medical staff who see this population of patients first hand or on a referral basis.
