

IPOKRATES Clinical Seminar

Nutrition and Gastroenterology of the Newborn

November 4 - 6, 2011

Athens, Greece, Royal Olympic Hotel, Athens

Objectives

IPOKRATES seminars provide high quality postgraduate education which enables professionals to keep abreast of the most recent developments and offer participants the opportunity to discuss clinical problems or scientific issues personally with international experts. This seminar deals with the understanding and management of gastro-intestinal disorders and nutritional care problems, mainly in prematures.
